Member update

Ok, it seems there were lots of issues with last week's newsletter - from the wrong date on the newsletter (writer error!) to attachments not opening or being the wrong document - not sure how that happened?! I'm going to send it as a pdf again this week (hopefully I've fixed any quirks) - please let me know if you have any issues this week.

Thanks to those who offered their help with coffee mornings (the more the merrier)! We are still in need of some web/graphic assistance, so please let us know if you or someone you know can help with any of the following:

- Graphic artist/designer - to reproduce a logo in soft copy (we have the design)
- Web developer - to take our website to the next level with advertising and other cool stuff

:) Marcia
